

PRAMESH SINGHAVI (HE/HIM)

San Diego, CA | (619) 206-1400 | prameshsinghavi02@gmail.com | [Linkedin](#) | [github](#)

EDUCATION

JACOBS SCHOOL OF ENGINEERING | UNIVERSITY OF CALIFORNIA, SAN DIEGO

Sep 2022 – Jun 2026

Bachelor of Science, Electrical Engineering : GPA – 3.72

- Computer System Design and Machine Learning and Controls Specialization, Business minor
- Selected: President of Cricket Club, Vice President of Sigma Alpha Mu Fraternity

PROFESSIONAL EXPERIENCE

MONITOR DELOITTE, SINGAPORE

Jun 2025 – Sep 2025

Strategy Consultant Intern, Strategy & Business Design (S&BD)

- Supported a pharmaceutical client on a market entry project in Indonesia, focusing on the laboratory partnership workstream
- Conducted market mapping and regulatory analysis, screening 500+ entities from databases and local sources to identify 80 qualified labs, and refining the list to 14 high-potential candidates through structured filtering criteria
- Compiled comprehensive profiles for shortlisted labs, consolidating key information on capabilities, compliance status, ownership, and certifications to inform strategic recommendations.
- Coordinated lab outreach, building a database of verified contact information for engagement and due diligence.
- Delivered client-ready presentations and research materials to communicate findings, insights, and strategic recommendations.

ERNST & YOUNG, SINGAPORE

Jun 2024– Sep 2024

Technology Consultant Intern, Cybersecurity

- Contributed to IT infrastructure projects for the Port Singapore Authority (PSA), analysing and refining cybersecurity frameworks to enhance client data protection.
- Collaborated with cross-functional teams to document IT infrastructure plans
- Assisted senior managers in developing client presentations and reports, leading to effective client review and approval, enhancing stakeholder communication

SINGAPORE ARMED FORCES, SINGAPORE

Jul 2020– May 2022

National Serviceman

- Led a 30-member platoon in high-pressure operations, demonstrating strategic planning, real-time problem-solving, and structured communications across multiple branches.
- Received the Best Navigator Award for exceptional proficiency in terrain analysis, route planning, and navigation
- Implemented an efficient tracking system, resulting in a 10% reduction in stock discrepancies and associated costs.

SINGAPORE CRICKET ASSOCIATION, SINGAPORE

Jan 2015 – Jan 2020

National Athlete

- Vice-captained the Singapore U-16 and U-19 teams in international tournaments
- Achieved historic success as part of the first youth team to defeat Hong Kong.

PROJECTS

OPSPILLOT – AI-POWERED OPERATIONS RECONCILIATION SYSTEM, SAN DIEGO

Winter 2026

- Designed and built a full-stack reconciliation system using FastAPI and SQLAlchemy to automate trade/ledger validation, detecting mismatches and missing entries
- Implemented RESTful APIs with comprehensive CRUD operations and automated reconciliation engine with dual validation strategies (exact matching and statistical anomaly detection)
- Integrated Anthropic Claude API for natural language issue explanation with graceful fallback to rule-based analysis
- Architected extensible validation framework supporting multiple data sources and business rules
- Tech used: Python, FastAPI, SQLAlchemy, SQLite, Claude API, JavaScript, REST APIs

SIM-TO-REAL ROBOT NAVIGATION WITH RL & DIGITAL TWINS IN UNREAL ENGINE, SAN DIEGO

Winer 2025

- Led a 5-member team in developing a PiCar replica in Unreal Engine using Python and C++ to train models.
- Trained and fine-tuned RL models with Stable-Baselines3 and AMD schola for autonomous navigation.
- Validated RL models on the physical PiCar, achieving reliable sim-to-real transfer for real world deployment.
- Collaborated with AMD engineers through weekly meetings, receiving guidance and technical insights throughout the project
- Delivered graded technical presentations to peers and faculty, clearly communicating complex concepts and project outcomes.

SKILLS

- **Languages:** English (Native), Hindi (Native)
- **Computer Languages:** C, C++, Java, HTML, MATLAB, Python
- **Technical Skills:** Microsoft Word, Excel, PowerPoint, Tableau
- **Interests/Hobbies:** Cricket, Soccer, Cooking, Hiking, Running, Travelling, Nuclear Fusion, Reading, Astrophysics, Poker
- **Website:** <https://prams2104.github.io/>
